The mission of the Falmouth Historical Society is to preserve, present, celebrate and share the history of the Cape Cod Town of Falmouth, through collections, educational programs, interpretive exhibits, and Museums on the Green.

Recently the Board of Directors rewrote the mission of the Society. The words **celebrate** and **share** are important additions because they convey our excitement and commitment to making the Society and its museums better understood and a lifelong educational resource.

Generous support in the past has allowed us to **preserve, present, celebrate** and **share** Falmouth's history by:

Inventorizing collections, restoring paintings and acquiring and repairing new collection items like a Regina music box;

Providing educational programs like museum visits for third graders, summer workshops for families, and the intergenerational Harvest Home performance in October, all free of charge;

Creating new interpretive exhibits about Katharine Lee Bates and Falmouth's agricultural history engaged visitors;

Making Museums on the Green more visible and welcoming with a new entry at Hallett Barn Visitor Center; attracting artists, residents and visitors to our beautiful gardens;

Offering free Museums After Hours programs with live entertainment.

As we look to the future we need your help in sustaining our growth and outreach. Using our wealth of archival materials and artifacts, we plan to create more materials and experiences for schoolchildren, we want to make history entertaining with more special Museums After Hours programs, we will celebrate the 150th anniversary of Katharine Lee Bates, we plan to install new exhibits and improve the storage facilities for our collections. Your financial support is critical to this work and to our future.

The more you give, the more we can preserve, present, celebrate and share.

This gift is separate from membership. Gifts to the Society are tax-deductible to the extent allowed by law.
