

Dear Community Partners,

On behalf of the Town of Falmouth's 250th Task Force, we are reaching out to learn more about the programs and events your organization may be planning this year in connection with the commemoration of the 250th Anniversary of the American Revolution.

As part of this effort, the Falmouth Historical Society is developing a dedicated America 250 page on its website that will serve as a central landing place for town wide commemorative programming. Our hope is to provide residents and visitors with a single, easy to navigate source where they can discover the many lectures, exhibitions, performances, educational programs, and community events taking place across Falmouth throughout the anniversary year.

If your organization is planning any programming related to the 250th anniversary, we would be delighted to include it. To help us compile a comprehensive listing, please send the following information for each event:

Event title

Date and time

Sponsoring organization

Ticket link or website, if applicable

It can be emailed to Info@museumsonthegreen.org with heading title **Event for Community 250 Page**. Our goal is to highlight the breadth of activity happening across the community and to help ensure that these events receive the widest possible audience. We would be grateful if you could share any relevant information with us as your plans develop.

Thank you for the important work you do in contributing to the cultural life of Falmouth. We look forward to celebrating this historic milestone together.

Sincerely,

Falmouth 250th Task Force
