Nails, staples or tape may not be used on walls or woodwork. Decorations cannot be hung from any light fixtures. Any destruction of MOG property will result in the forfeiture of the security deposit.

All property of the Renters and Renter's guest must be removed from the building and grounds by the end of the event. Failure to comply may result in the forfeiture of security deposit.

A caterer must be approved by the Event Administrator. If a caterer has not worked at MOG within the past 12 months, he or she must meet with the Event Administrator. Caterers are required to follow the catering guidelines established by MOG. Caterers must stay through the end of the event, remove all trash, remove all equipment, and leave the premises as found. At the conclusion of the cleanup, the caterer must do a final walk-through with the MOG House Manager at the event.

Renter is to contact the Event Administrator to arrange a walk-through and review of final details of event during regular MOG business hours of 10 - 3 Monday through Friday. The walk-through should include representatives of MOG, the caterer, and the Renter. The suggested date for the walk-through and review is within 7 to 10 days prior to the event.

If there is a reasonable expectation that the number of cars brought by Renter's guests will exceed the capacity of those lots, it is Renter's responsibility and obligation to make arrangements for additional parking spaces or alternative transportation, and not to impose upon neighbors of MOG.
